

AGENDA

CITY COUNCIL WORK SESSION
NORTH COMPLEX, CITY COUNCIL CHAMBERS, 5160 MAPLE DRIVE

APRIL 19, 2016

5:30 p.m.

DISCUSSION TOPICS

1. Capital Crossroads presentation: Library
This past year Capital Crossroads focused on two areas of municipal government, libraries and human resources. John Lerdal was an active member of the library group and will present information on the work this group has done.
2. Capital Crossroads presentation: Human Resources
The other area of focus this year for Capital Crossroads is Human Resources. Steve Johns was an active member of this group and will present information on the work this group has done.
3. Discussion on Metro Waste yard waste disposal:
Metro Waste Authority will soon be making a decision about whether or not to allow the comingling of yard waste. Councilmember Malone, as the City's representative to the Metro Waste Authority Board, would like to follow up on the discussion held at the March 29th special Council meeting.
