

AGENDA

**CITY COUNCIL WORK SESSION
NORTH COMPLEX, CITY COUNCIL CHAMBERS, 5160 MAPLE DRIVE**

SEPTEMBER 20, 2016

5:30 p.m.

DISCUSSION TOPICS:

1. DES MOINES WATER WORKS PROPOSAL FOR CHARGE FOR ANNEXED WATER MAIN:

At previous meetings there have been discussions regarding the fee DMWW charges whenever Pleasant Hill annexes land that has water main from the old SE Polk Rural Water System, including a session with representatives from DMWW. The staff of DMWW has reviewed several alternative methods to compute a fee and have shared those with city staff, including their recommended option. The DMWW staff proposes to present the recommendation to their Board for approval if Pleasant Hill concurs. Staff would like to review the options with Council.
