PUBLIC ARTS ADVISORY COMMISSION

JANUARY 23, 2023

REQUESTED BY:	CANDACE BELL COMMUNICATIONS SPECIALIST
REFER TO:	PUBLIC ARTS ADVISORY COMMISSION
SUBJECT:	BRAVO GREATER DES MOINES PUBLIC ART GRANT

Bravo Greater Des Moines is an organization that provides grant opportunities to maximize the impact of arts, culture and heritage to advance regional priorities. Bravo Greater Des Moines offered a Public Art Grant for Bravo's local government partners for public art projects or the creation of a municipal public art plan.

The grant opportunity was paused in 2020 to ensure Bravo Greater Des Moines could keep its prior funding commitments during the pandemic. This year, they intend to reestablish this grant opportunity with details expected in February 2023.

The City of Pleasant Hill is a local government partner who qualifies for this grant opportunity. City staff has been researching potential opportunities to be funded through this grant and are awaiting final details to be released.

Appropriate Commission action would be to listen to the potential grant funding opportunities and provide relevant feedback.

PUBLIC ARTS ADVISORY COMMISSION
JANUARY 23, 2023

REQUESTED BY:	CANDACE BELL COMMUNICATIONS SPECIALIST
REFER TO:	PUBLIC ARTS ADVISORY COMMISSION
SUBJECT:	MURAL OPPORTUNITY

A former priority for the Public Arts Advisory Committee was to have the City's sign code ordinance updated to allow for murals. This priority was met and the sign code has been updated. To date, no murals have been painted within City limits. To add to the arts and culture of the City and promote the change in the sign code ordinance, city staff has been researching the possibility of painting a mural on a public facility. Staff has identified the north side of the Parks maintenance shop located at 1660 S Pleasant Hill Blvd as the ideal location for a first mural due to its high traffic visibility through the SE Connector.

Appropriate Commission action would be to listen to the details surrounding this art opportunity and provide relevant feedback.
